COMMENT. By Command of His Royal Highness the Duke. Egmont, *Diary*, III, 83: I went with my wife to the play entitled "Sir Walter Raleigh," revived by the comedians on occasion of the now differences with Spain. They choose one to represent Count Gundemar, who in all things is like Mr Giral dini, the Spanish minister at our Court lately recalled, and whenever any severe things were said which bore a resemblance to our ministry's transactions, or our backwardness to resent the insults of Spain, the audience clapped all over the house.
