COMMENT. Notices of performances on this date had appeared since 8 Sept., as at common prices and written by the Late Sir Richard Steele, yet under the unsettled circumstances Fleetwood may not have assembled the players necessary for the production. Macklin, Garrick, Mills, Pritchard, Havard, Berry, Leigh, Blakes, Woodburn, Mrs Clive, Mrs Pritchard, and Mrs Mills had withdrawn and were attempting to form a company for acting at the New Haymarket. See *Drury Lane Management* in the Introduction.
