*Daily Advertiser*: The Fable of the Iron and the Earthen Pot. To Mr Macklin.  
Vers'd thou art in every Wile  
Thy conduct who can Reconcile?  
Who'll think thee knowing in Intrigue  
With Garrick e'er to join in League?  
Was not the Maxim to thee known  
That Leaguers 'Twixt Equals suit alone?  
We grant thee Merit; yet how far  
Does Sol outshine the brightest Star?  
Thy strength had'st thou but duly weigh'd  
No Feuds had then to ills betray'd.  
Still if thou well or ill deserve  
Pity, methinks, to let thee starve  
Pity that thou should'st find too late  
Sage Aesop's Earthen Pot thy fate.
